

# Print Distributions – Service Guide

Team Global is one  
of the UK's leading  
print distribution  
specialists

Team Global provides secure, timely and cost-effective distribution services for single or multiple print consignments.

Our broad range of assets seamlessly combine to form a simple, single solution that delivers results and ensures complete peace of mind.

We can:

- Receive print directly from your supplier, or collect from you or a third party
- Pick, fulfil and pack all types of print distributions
- Take care of all shipping documentation and labelling
- Export consignments via our express, saver, road, cargo or mail service
- Provide complete transparency through consignment tracking and reporting

## Simplicity, convenience and reliability

### Transparent quotations

Ask us for a quote and we'll quickly respond with a range of options - so you can choose the right balance between price and speed of delivery.

### Super-fast booking

Our online booking system is incredibly simple and easy-to-use. For multiple bookings, send us your consignment information in Excel, Word, PDF or CSV format and we'll upload the data, confirm details and produce all relevant documentation, including:

- Consignment notes
- Consignment barcoded labels
- Packing lists / Invoices
- Detailed consignment report

### Packing

We can pack or repack consignments to provide robust in-transit protection.

We supply double-walled cartons for A4 boxes, pallets, pallet wrap, pal boxes, poster tubes and document wallets.

## Our delivery services

### Express

#### Time Definite / Time Critical Delivery

Choose Team Global's EXPRESS service for national and international door-to-door delivery by a specific time, or by the end of the next possible business day.

Our global reach and expert local teams ensure end-to-end tracking, smooth customs processing and rapid delivery.

- 9:00 Express: Next day delivery before 09:00 to major cities in over 40 countries
- 10:30 Express: Next day delivery before 10:30 to major cities in over 60 countries
- 12:00 Express: Next day delivery before 12.00 to major cities in over 60 countries
- Express: Next day delivery to most of Europe, plus the fastest possible service to the rest of the world
- Import Service: Collection from more than 120 countries for delivery into the UK, including customs clearance

Saver

**Cost-effective delivery for less urgent consignments**

Designed for heavyweight consignments over 5 kilos when next-day delivery isn't a requirement. The service includes all the reliability and support offered by our EXPRESS service, but at a heavily discounted price.

- 1-2 day transit to European business centres
- End of second business day delivery to most addresses in the USA
- 2 - 4 day transit to Asia

Road

**European heavyweight consignments**

Team Global's ROAD service offers European door-to-door delivery within a specified time. Backed up by end-to-end tracking and customs processing for dutiable goods, it's the ideal solution for heavy, non-urgent shipments.

- Door-to-door delivery of single or multi-piece shipments and pallets within a specified number of days
- Cost-effective and reliable delivery
- Proactive delivery notification available on request

Cargo

**Worldwide Airfreight – door-to-door / door-to-airport**

We offer a comprehensive range of time-definite, guaranteed and cost-saving airfreight services. With shipping options from next-day to 3 or 5 days, you can choose the service that meets your deadline and your budget.

**Team Global – delivering the goods on time, every time**

Team Global has over 25 years' experience in time-critical shipping. We work in partnership with our customers to provide bespoke solutions that help them achieve challenging operational and commercial objectives.

We pride ourselves on our flexibility, always offering a range of options that allows you to select the optimal combination of speed and value.
